CHRISTIAN FOUNDATIONS

“ A year long journey to explore Catholicism

Alumni Testimonial

This class has something to offer everyone. Best of all you will take this journey in the company of other like minded people who gather together to learn, to grow and share. In the words of Bishop Baron: "It's not so much the case that the Church has a Mission, but rather, that a mission has the Church". Together we can establish a firm foundation of faith, and work to spread it to the world! - Kathy Rokosz, Christian Foundation Alumni ★★★★★

5th Grade News!

The fifth graders at St. Leonard have been working hard during their first weeks of the new school year! In ELA, they have completed reading their first short story, "The First Real San Giving," and are working on writing personal narratives. In Religion, they are learning about the supernatural gift of Grace, and how Our Lady is a model of Grace for them to follow. They have learned how to think like historians in History class, and are learning how to analyze historical events through multiple points of view. We are off to a fantastic start!

6th Grade News!

Welcome to our "Language Arts Community of Peace," where we practice forgiveness, patience, and gratitude each day as we begin with the Prayer for Peace before we launch into any number of activities. It is only three weeks into the 2023-24 school year, and sixth grade has been busy! First, welcome to our classroom with 24 children and one new to the building teacher: Mr. Saucedo (or Mr. S, as the kids say). First, we are acclimating to our new English/Language Arts (ELA) curriculum, based on the science of reading, that allows each of our students to practice speaking, listening, reading, and writing daily. Since this is "our classroom," students took ownership of creating the classroom environment expectations and why we chose to make those expectations. If you look, you'll see the class in action as they write these expectations, stand, and create "All About Me" presentations using our newest Promethean Board technology to present from; we have many sports and animal enthusiasts in our room! Finally, we challenged ourselves to read fifty books in the first month during the independent reading time from our classroom, "Booktree Library," where we added twenty books over the summer. Sixth grade is almost thirty books in and inching ever closer to their popcorn and movie incentive. We are a community of writers, readers, and peaceful citizens. Welcome to our room!
