## 8th Grade

It's hard to believe that these students are in 8th grade! I remember them in 3rd grade as much smaller learners! I feel kind of old. We spent the first day of school participating in Middle School Madness! After unpacking our belongings we headed to church with 7th grade to go over the procedures in church and complete 30 min of service cleaning half the church. Both classes were awesome! Then we headed to the playground for a while and ended our day with tie-dyeing t-shirts! The most impressionable time I felt was prayer with Father Bobby at the beginning and his special visit to our class at the end of the day! Thank you Father Bobby! Please keep our class in your prayers this year! God bless you, Ms. Tesi!

## 7th Grade

7th grade has already gotten into the swing of things starting off what is one of the most important years for them! So many of these students have been in school together since they were in Pre-K or kindergarten. We have started the school year learning about our new science curriculum with Discovery Education. We have also been talking about living our virtues and how we can be better followers of Christ. We spent the first day of school participating in Middle School Madness, an awesome idea that Ms. Tesi came up with! We went over to the church with 8th grade to go over the procedures in church and complete 30 min of service cleaning half the church. Please keep our class in your prayers this year as they gear up for the much anticipated science fair and as they start to shadow high schools. God bless you, Ms. Rivera!

# seek<sup>24</sup>
